Welcome to our Storytimes

Storytimes are held from **September 13 to December 3, 2010**

All Storytimes will be held in the Youth Services Program Room

Youth Services is excited to offer several storytime opportunities for children this fall. These programs aim to foster a love of reading and provide children and adults with an enjoyable library experience by introducing great books and fun activities.

No advanced registration is required for any of our storytimes, but we do ask that you follow our age recommendations.

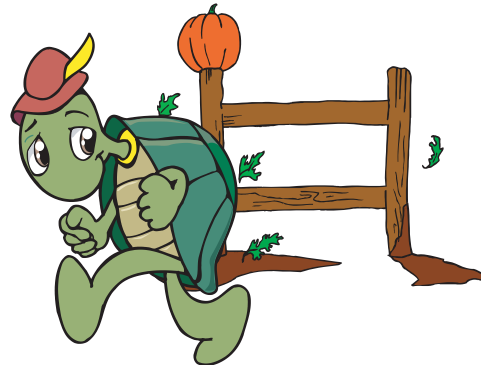

The goal of our story programs is to provide you and your child with an enjoyable library experience based on books and activities. Parent participation is key to the success of this program. So, please join in and show your child that it's fun. If your child is crying loudly or otherwise distracting the group, we ask that you please step out and come back in when your child is ready. Please turn off your cell phones. Thank you for your cooperation.

Book Babies

We invite babies ages 15 months to 23 months and a parent or caregiver to our lapsit story program. Held **Wednesdays at 10:30 a.m.**

Book Babies is a 30-minute program that consists of a short storytime including stories, songs, finger plays and Mother Goose activities, followed by a social time for parents and babies.

Toddler Tales

Toddler Tales is our storytime especially for two- and three-year-olds and a parent or caregiver. Each session will include 20 minutes of easy-to-understand stories, songs and activities.

Toddler Tales will be held on **Mondays at 10:30 a.m. and repeated on Tuesdays at 10:30 a.m.**

Family Storytime

Join us for stories, finger plays, songs, activities and more during this program for the whole family on **Tuesdays at 6:30 p.m.**

This program is geared for age two to six, but can be enjoyed by the entire family. Pajamas and stuffed animals are welcome during our evening storytime.

Preschool Storytime

Held **Thursdays at 10:30 a.m.** This is a 30-minute storytime designed for the preschool-age child. Children should be able to understand and sit through longer stories and be able to participate in more advanced activities. Children ages 4 and up may attend this program unsupervised, but for the safety and care of your child you must stay in the library and pick up your child immediately following the program.
