

Youth Services welcomes and encourages children of all ages to use our facilities and services. In an effort to ensure the safety and well-being of all children and maintain a positive library atmosphere, the following policy has been adopted:

Children ages 8 and older may be in the Library unattended for a period of time not to exceed 4 hours, provided that their behavior is not disruptive to other patrons, customers, or staff members.

Children under the age of 8 must be supervised by a responsible caregiver at all times while they are in the Library.

When children attend library programs where adult supervision is not required, a parent or caregiver is expected to pick up their children as soon as the program ends.

Please ask a Youth Services staff member if you would like more information.

Thank you for your cooperation and help in making Youth Services a fun and safe place to learn and play!
