

# Cactus Buddy

## Instructions

### Supplies

- Rock
- Soil
- Pot
- Green and white paint
- Paint brush
- Eye stickers

### 1. Paint your rock green.

You may need to add multiple layers of paint. Let dry between layers and sides.

### 2. Decorate with white dashes.

You can also try V shapes, dots, or other patterns.

### 3. Add eyes.

### 4. "Plant" your rock in your pot.

## Create more cactus buddies!

Find rocks around your neighborhood, and make a pot from recycled or found materials.
