

Lawrence K. June 10

I wish you would come  
to Kansas immediately if you  
can.

I have just made a claim  
within eight miles of Lawrence  
and if you was only here I would  
let you have it. It is worth  
\$500 now and in one year will  
be worth \$1000 probably.

I have built  
a small Cabin on the place,  
8 by 10 & 8 ft high and you  
could use that for a store  
room. I wish you would come  
Father immediately. I cannot  
stay on the claim and am  
afraid of losing it. I have hired  
a Breckin's team and shall

have a few acres broken  
up and ready for a crop -

Do come soon. I will give  
up the claim to you or you  
will own it together and I  
can make another -

You can make money  
here without any trouble if  
you will only leave that  
miserable Country. This is the  
finest Country I ever saw.

Do come right away if  
you want a good chance to  
get a good home -

Give my love to Mother,  
tell her to write often. Love  
to Bob, Earl, & Frank -

Your Affectionate Son  
in a great hurry
