July 21st

My dear Husband -
Born this morn
at 15 minutes to
seven - a fine Boy
weighing $8\frac{3}{4}$ lbs -
Mother & child
doing well - & we
are all delighted
& somewhat relieved
of the strain of wait-
ing overtime for this
to happen - Keathena
says baby brudder
is lipping - sleeping -
She has been so good
to-day - the first she
has been away from

her mamma - & only
cried once for her -
Dick is very proud
& inclined to think she
is the whole thing -
The weather is cool
& the days glorious -
something like Sept
days - How did you
address the package
you sent me that
came from Kate -
I never see^d it -
I had a letter from
her asking me about
it - I see^d your
newsy letter - & was
surprised that you
write so often - Thank
you - & glad that you
are feeling so well -

I am glad things are
prospering at Riverside -
Of course you
must expect some
few losses - like a pig
dying or a few chickens
died & then - Am sorry
about the little pig
because Carrie cannot
have a winter hat -
When any of you people
write this establish-
ment - Address -
of R. J. Covert - Supt. P. O.
Supplies - Washington
D. C. If you direct to
Cherry Chase - it is forward
ed to the above address -
& that delays it - one day

There is no way of getting
mail from C. C. P.
Daisy expects sometime
to have a mail box at
her gate - but such
things move slowly here
I suppose Jim is with
you now - & hope he will
enjoy his vacation.

I wish I could trade
some of our grapes for
some of your cream -
for we do not have
much of that - & I just
love cream - Had a long
big letter from Kate
& ~~may~~ perhaps I will
send it to Anna -
With much love C. G. P.
