**“Rock” Stars**

**What you’ll need . . .**

» Rocks  
» Puffy Paint  
» Toothpicks, optional

**These instructions are merely a suggestion for a technique you may enjoy. Please be creative and paint your rock however you’re inspired to!**

1. Clean your rock to remove any dirt and let dry. (The rocks set out for you to use in the Dabble Box have already been cleaned.)

2. Squeeze globs of a few colors of puffy paint on one side of your rock. Using a toothpick, gently swirl the colors to make colorful patterns.
