Getting started with Adobe Digital Editions

Adobe Digital Editions (ADE) is a free piece of software that you download to your computer.

- Install ADE at <https://www.adobe.com/solutions/ebook/digital-editions/download.html>
- Open ADE and authorize it with an Adobe ID.
 1. If you aren't prompted to authorize ADE, go to **Help > Authorize Computer**.
 2. Select "Adobe ID" from the **eBook Vendor** drop-down menu.
 3. Already have an Adobe ID? Enter your Adobe ID and password. Need an Adobe ID? Click "Create an Adobe ID" and follow the prompts. Make sure to save Adobe ID information in a safe place for future use.
- Enter your email address (or Adobe ID) and password, then select "Authorize."

Finding titles

- On your computer, open an Internet browser and go to www.ecpubliclibrary.info/digital/
- Click on the Freading logo and then “Login.” Enter your library card number and last name. Click “Login.”
- Browsing – click one of these options: [Top Downloads](#) [New Arrivals](#) [Categories](#)
- Searching – click “Enter Keywords to search” or “Advanced Search.”

Borrowing titles

- When you find a title, click the book cover. This takes you to the details page.
- Click the red “Download EPUB” button located under the book cover.
- The book should open automatically in Adobe Digital Editions.
 - If the book does not open, click “My Downloads” (found next to the search box). Find the title in the list and tap “Redownload.” The book should now open in ADE (note: “Redownload” may only be used once or twice before needing to be reset by Freading tech support).

Renewing titles

- A title can be renewed for one 2-week period by going back to the book’s details page and hitting the download button again.
