

Digital Art

With Drawing Tablets

Curious about digital art and how incredible digital artists do it?

Aside from being skilled in their craft, most digital artists use a digital drawing tablet to create their unique designs. The library's Dabble Box makerspace has recently added 10 new digital drawing tablets and staff will offer three beginner-level classes. Aspiring artists ages 12 and up are invited to attend.

April 2: Digital Landscape Painting Create happy little landscapes using a computer and drawing tablet.

April 9: Digital Sculpting Channel your inner Michelangelo and sculpt, but leave the chisels behind and use a computer and drawing tablet.

April 16: Digital Character Drawing Like comics? Manga or anime? Maybe you simply enjoy character art. Learn how to draw your very own character using a digital drawing tablet.

- All classes will be held from 6 to 8 p.m. in the Dabble Box.
- Space is limited. Registration is required. Go to www.ecpubliclibrary.info/digital-art.
- Basic computer skills are preferred for best experience.
- For ages 12+
